MARILYN BLOCH,

Plaintiff,

ORDER

16-6082 (DRH)

COUNTY OF NASSAU, and NASSAU
COUNTY CORRECTINAL FACILITY,
Defendants.

-----X

Before the Court is the Report and Recommendation of Magistrate Judge Shields, dated February 20, 2020, recommending that “[i]n light of Plaintiff’s numerous health problems . . . the District Court administratively close this action, without prejudice to reopening upon the resolution of Plaintiff’s health problems” and further “that the District Court direct Plaintiff that when her health problems resolve, and she feels she can effectively prosecute this action, she write a letter to the Court requesting that this action be reopened.” More than fourteen (14) days have passed since service of the Report and Recommendation and no objections have been filed.

Pursuant to 28 U.S.C. § 636(b) and Fed. R. Civ. P. 72, this Court has reviewed the Report and Recommendation for clear error, and finding none, now concurs in both its reasoning and its result. Accordingly, the Court adopts the February 20, 2020 Report and Recommendation of Judge Shields as if set forth herein. Accordingly,

IT IS HEREBY ORDERED that the Clerk of Court administratively close this case without prejudice to Plaintiff, at such time as her health problems resolve and she feels she can effectively prosecute this action, filing a letter with the Court requesting that this action be opened. The Clerk of Court is directed to serve a copy of this Order on Plaintiff.
